The Institute for Trade, Standards and Sustainable Development (“ITSSD”) is requesting this information in its capacity as a nonprofit public interest institution. The ITSSD’s globally recognized work focuses, in part, on domestic as well as international environmental law and policy research, analysis, education and public information disclosure.

The ITSSD does not anticipate that the production of these documents in digital form will engender a processing fee. However, should the search for these documents entail such a cost, and a fee waiver is not available, the ITSSD would appreciate being informed of the estimated cost and provided a cost breakdown pursuant to Oregon Administrative Rule (“OAR”) 690-003-0180(2) prior to your office undertaking this request.

Consistent with the Agency’s applicable rule (OAR 690-003-0180(5)), you have 15 working days from your receipt of this Public Records Request to respond.

Thank you for your full and prompt attention to this matter.
